# Waffle Lounge

# Furnished Forever

The Waffle Lounge is defined by crisp edges and a consistent use of repetition, taking aesthetic cues from the sculptures of Sol LeWitt. The rectilinear spacing is filled with soft upholstery, emphasising the contrast between soft and hard materials. Unlike more traditional upholstered frames, the frame here is completely on show, celebrating the precision craftsmanship required to execute the design.

Materials	American ash <sup>1</sup> , upholstery
Surface finish	hard wax oil
Upholstery <sup>2</sup>	4 m requirement for fabric 8 m <sup>2</sup> requirement for leather
